

St. John Vianney Academy is a small K-8 school operated by the Society of St. Pius X, providing a classical education. Located in Long Prairie, Minnesota, it is surrounded by farmland in the heart of the Midwest. It is within driving distance of other SSPX chapels, and so close support between parishioners is possible. St. Robert Bellarmine in St. Cloud is only an hour away while Immaculate Heart of Mary is two hours' drive. Despite its seeming isolation, activities abound if you love the great outdoors: hiking, biking, fishing, etc.

Our school is attached to a Priory and parish, so there are frequent opportunities to attend the Traditional Latin Mass and receive the Sacraments. There are also opportunities of actively participating in parish life from Schola/choir to Altar and Rosary Society and beyond.

The school can provide limited free housing for out-of-state teachers.
