J.M.J.

St. Vincent de Paul Academy is located near the revitalized Hospital District in Kansas City, Missouri. The Academy provides a K-12th grade educational program on two separate campuses: the Flora Campus and the Tracy Campus.

The Flora Campus is located at 3104 Flora Avenue, next to the St. Vincent de Paul parish church. The 5-12th grade boys' classes are held at the Flora Campus. K-4th grade co-ed classes and the 5-12th grade girls' classes are held at the Tracy Campus located at 2727 Tracy Ave., a half a mile from the Flora Campus.

We currently combine the following grades at both the Flora and Tracy campuses: 7/8th, 9/10th, and 11/12th

For the 2023 -2024 academic year, the Academy is in need of the following staff and faculty members:

- **Science Teacher: 11/12th grade Physics and 9/10th grade Earth Science teacher for both campuses, and 7/8th grade Science for the Flora campus only.** Total class time is 23 periods per week. If candidates can only work part-time, we are open to dividing this position. The typical qualification for this position is a BA degree and good classroom management skills. We are open to the possibility of candidates without these qualifications if there is proper knowledge and experience. Typical class size is about 12 students.
- **Elementary School Teachers and Teacher Assistants:** Various positions are available for 1st - 5th grade. The typical qualification for an elementary school teacher is a BA degree and good classroom management skills. We are open to the possibility of candidates without these qualifications if there is proper knowledge and experience. Teacher Assistants work with homeroom teachers to give additional instruction and attention to students, grading papers, helping with activities, etc.

The Academy prefers that teachers have either a two year Associates Degree with one year of teaching/teacher assistant experience or a four year college degree. Ordinarily, new teachers will be required to attend the Society of Saint Pius X Catholic Teachers' Seminar in St. Marys, Kansas during the 2023 summer. Please send all inquiries and resumes to the attention of Fr. Trummer, the Principal of both campuses: [fr.trummer@svdpacademy.org](mailto:fr.trummer@svdpacademy.org)
