

St. Joseph's Academy

57575 Romeo Plank Road, Ray Township, MI 48096

St. Joseph's Academy, in Ray Twp., Michigan, is seeking teachers for the 2023-2024 school year.

St. Joseph's is a well-established chapel and priory, having been founded in the early 1970's as the first SSPX US-based seminary. We have a priory with four priests, which allows us to have daily Masses, easy access to the Sacraments, a full liturgical year of beautiful ceremonies, and much more. Our school and chapel are also close to the newly established monastic foundation of the Redemptorists, and thus we are blessed to have Father Alphonsus, C.Ss.R in our midst frequently.

The Academy itself was founded in 1990, and was the foundation for La Salette Boys' Academy in Illinois. Although we currently have grades K-8 in our school, our parents have formed a high school home school co-op. Teachers in our Academy have the opportunity to work for that co-op as well, if they desire and enjoy working with older students. The church and school moved to its present location in 2015-2016, and it is hoped that with growth and a future building, one day the high school will return under the wings of the Academy.

We have several groups in the parish in which a teacher may participate outside of school hours, including a young adults' group (Radix), a polyphonic choir, men's schola, Holy Name Society, and a Ladies' Altar Guild.

Being located in Metro Detroit, there is plenty to enjoy in the surrounding areas for leisure times, including the beautiful waters of the Great Lakes, and cultural and sports activities in Detroit and throughout the region. We enjoy all four seasons in this beautiful state!

The teaching positions being offered next year (2023-2024) are as follows:

1. Full-time classroom teacher in the elementary school.
2. English/Language Arts teacher for the middle school (also possibly in the high school co-op).
3. A math and science teacher for the middle school (also possibly in the high school co-op).
4. A part-time Physical Education teacher for 5th-12th grade boys.

In addition to the teaching positions above, we are in need of *Teachers' Aides* to assist our full-time teachers, and to possibly tutor students needing extra help, as well as **substitute teachers** to be on call as needed.

If you are interested in these positions, or have questions, please contact Mrs. Hetrick to find out the particular requirements to teach in our school.

Please send resume to SJAdmin@ssp.org, or by mail to:
